

T – TROOP  
SUMMER CAMP  
AT CAMP NOBE  
August 5 to August 11, 2018

## NORTHERN NEW JERSEY COUNCIL – BOY SCOUTS OF AMERICA

### TENDERFOOT TROOP (T-TROOP)

August 5 to August 11, 2018

#### WHAT IS THE TENDERFOOT TROOP?

A special one week troop that is assembled for new scouts (*primarily Webelos who have just graduated*) to attend Boy Scout Summer Camp at Camp Nobebosco. This is a provisional troop. Leadership of the troop will be provide by the camp.

#### WHY A TENDERFOOT TROOP?

Many Boys who are either new to camping and the outdoors, or just new to scouting are just not prepared for the challenges and demands of a two week stay with their troop at Nobe. The tenderfoot troop is offered to give these boys a good first experience with Boy Scout Camping. Working with some of the top leaders, the new scout will gain confidence and have fun and adventure during this week at camp designed especially for them.

#### WHAT WILL THE TENDERFOOT TROOP DO?

Basically the troop will participate fully in the program at Nobe as regular scout troops do. In addition, the boys will be given a thorough foundation in basic scout craft and camp craft skills. A main objective of the week is to have each boy complete the requirements for his Tenderfoot Badge, which is where the Troop gets its name. As a result of this week at camp, the boys will be prepared to take an active part in the outdoor program of their regular Troop in the coming year.

#### WILL THE TENDERFOOT TROOP MEET BEFORE CAMP?

There will be a meeting for all scouts and parents where we will review the program and answer any questions. We will also start working on the Tenderfoot requirements for physical fitness. This needs to be done ahead of time so that the scouts can work on improving their physical fitness scores. Please bring your Scout Handbooks.

***NOTE: ALL BOY SCOUTS MUST BE REGISTERED WITH A TROOP.***

# Ramapo Valley District

Provisional T-TROOP

Camp No-Be-Bo-Sco

August 5 to August 11, 2018

Traditionally, T-TROOP was formed for new scouts who had joined the Boy Scouts just before school ended in June. T - Troop has now transformed into a provisional troop for scouts that are working on Tenderfoot, Second Class and/or First Class rank advancement and also for scouts who want another week of summer camp. We want to add to the scouts camping outdoor experience. Working with experienced adult leaders from the district, the scouts will gain confidence and have fun and adventure during this week at camp especially for them. The Ramapo Valley District Organizes this provisional troop. Leadership of the troop will be provided by the district.

Basically, the troop will participate fully in the program at the NO-BE as regular scout troops do. In addition, the scouts will be given a thorough foundation in basic scout skills and camp craft skills. The main objective of the week is to have each scout complete the requirements for his next rank advancement, and they also work on additional merit badges. As a part of this week in camp, the scout will be better prepared to take a more active part in the outdoor program of their regular Troop in the coming year.

The cost is \$455 for the week. \$410 for the week if you pay before April 15, 2018. New scouts can attend at the early discount rate. This price may change. If so, we will notify.
